To whom it may concern,

I am writing to recommend Robert Filipowicz for membership in the Seafarers International Union. I have known Robert since our time together on the T/S Golden Bear, where he consistently exhibited a great attitude and strong work ethic.

Robert's experience in the engine department provided him with a solid understanding of ship operations. I believe he has also worked in other departments, showcasing his versatility and ability to adapt to different roles. His dedication and positive attitude make him a valuable addition to any crew.

I am confident that Robert will excel in the deck department and be an asset to your organization. Please feel free to contact me if you need any further information.

Sincerely,

Capt. Conor Crowley
